Dear Chief Harteau,

I am writing this letter in recognition of Officer Benjamin Bauer of the 4<sup>th</sup> precinct. I was the Administrator (now retired 6-30-15), of River Bend Education Center for twelve years. I hired Ben as a staff member to work with River Bend students. River Bend serves K-8 students with severe emotional and behavioral disabilities.

I was impressed with the manner in which Ben worked with the aggressive behaviors the students presented. He was firm in his requests, offered choices and was non-confrontational. When Ben applied to the police academy I gave him a strong recommendation. I felt that Ben had the qualities with which to carry out the duties of a Minneapolis police officer.

Last November I submitted a compliment on the MPD website, but never heard back so I decided to write a letter on his behalf recognizing him as an outstanding officer. After becoming a member of the MPD Ben worked at River Bend as a contract officer. Again, I had the opportunity to observe his interactions with aggressive River Bend students. He always behaved in a positive and professional manner.

It is my belief that Ben represents everything a Minneapolis police officer should. He displays honesty and trustworthiness in how he approaches his work. He is respectful of all those people he interacts with, no matter how challenging the situation. In my opinion, MPD needs more officers who have these same characteristics.

I would like to request that this letter be placed in Officer Bauer's official personnel file.

Sincerely,

*Chris Pagel*

## **Dogwatch Officer of the Month**

**March 2014**

### **Officer Marcus Lukes and Officer Benjamin Bauer**

The Dogwatch Supervisors are proud to nominate Officer Marcus Lukes and Officer Benjamin Bauer as our March 2014 Officers of the Month. Both Officers are responsible for patrolling the busy 510 District. They both produce outstanding numbers month in and month out. They are near the top of the shift every month on arrests and proactive stops. The proactive work they produce is outstanding and yet they rarely if ever generate complaints, which show their level of professionalism.

Their proactive performance and dedication would be enough for them to be selected Officer of the Month but they also went above and beyond on the following call;

On 03/11/2014 Officers were called to a residence at 2414 Pleasant Ave S on a home invasion burglary call. The residents were tied up and robbed at gunpoint. Officers put out a vehicle description and relayed that the parties were armed. Officer Lukes and Officer Bauer were way down in the Southern end of the Precinct. They decided to assist on the call and sprang into action. Due to outstanding police work and observation skills, they observed a possible suspect vehicle in the area. Even though the initial crime took place over 40 blocks away, Officers Lukes and Bauer stayed with the vehicle and performed a Felony Stop on it.

Four occupants were removed from the vehicle. Officers located a stolen computer monitor in the vehicle and all four occupants were arrested. At least two of the occupants were positively identified by the victims of the Burglary.

Due to the tenacity of these Officers four Felons were taken off the street and booked. Bear in mind that this was not a simple Robbery but an armed Robbery using a pistol and shotgun. These were some dangerous individuals.

The combination of hard charging, taking care of business police work coupled with the awesome arrest by these two absolutely warrant them to win this award.

**BUT THAT'S NOT ALL!!!**

Today we received a letter from Kimberly Adams who is a Special Education Administrator for the Harrison School. In the letter Adams praises Officer Bauer for his excellent work dealing with a high risk child who has been assaultive to staff in the past. Officer Bauer maintained his poise and professionalism and the situation was handled in a calm and professional matter. Attached a copy of this letter.

Excellent all around work by these two Officers. One is a "Devil Dog" and the other is a "Beast". Both absolutely Take Care of Business night in and night out. We are proud to have them on the shift and believe they should overwhelmingly be awarded the March Officers of the Month.

Off. Bauer,

I just wanted to take a moment to thank you on your work at Harrison School. This school has some very specific challenges as outlined in the attached letter of appreciation, and your professionalism and calmness is greatly appreciated. Recognizing that this is a part time job, I really appreciate your Above the Line response to this situation, recognizing a proper course of action and assisting with this student who needed medical help and not law enforcement intervention.

Again, Kudos to you for your work,

**Subject:** 2537 Pillsbury; officers commended

I received the below comments from the block leader on the 2500 block of Pillsbury Av S, who witnessed part of the incident at 2537 Pillsbury Av S the other day (13-319886, ASLT4, DAMMV, DISCON, OBSTRU, FORCE).

She wanted to make sure the information was passed along. I am sending this to every officer and supervisor that I see listed in the report, along with their supervisors. The community appreciated your response.

---  
We had some action on our block about 11:50 p.m. Sept. 27 when six squad cars and an ambulance arrived to the scene of a fist fight at 2537 Pillsbury. The police calmly told the guy that if he didn't calm down they were going to use the taser on him.

---  
The police should be commended for a prompt response. I heard the scuffle shortly before midnight and thought "maybe I should call 911," but I didn't because a minute or two later, two officers were there, running on foot through the yard. It started getting more heated, and I thought, "Boy, these guys need some help; maybe I should call for more back up." But, no need. Five more squad cars arrived in no time.

---  
Again, please commend the police for their quick response and patient reaction. The guy was super loud and acting crazy. Let them know how much the citizens appreciate it.

	<p>TYPE COMMENTS HERE: On 5-9-2013 Officers responded to <a href="#">Privacy Policy</a> on a reported overdose from Heroin. Upon arrival of Officers they found a female victim not breathing with no pulse. Officer Bauer immediately recognized this was a life threatening situation and started Chest Compressions on the victim. Officer Bauer continued doing Chest Compressions for several minutes until additional units and EMS arrived. Upon my arrival the victim appeared to be lifeless and was still not breathing. Officer Bauer did not give up even though the situation appeared that it may have been hopeless. EMS arrived and took over. As they did this the victim regained her pulse and started breathing on her own. 30 minutes later the victim was able to walk to the ambulance. This clearly would not have been the case if Officer Bauer had not acted so decisively and done CPR as well as he did. I believe that Officer Bauer's actions clearly saved this women's life. Officer Bauer's actions reflect great credit upon himself the 5<sup>th</sup> Precinct and the Minneapolis Police Department as a whole. I find his actions merit the Life Saving Award.</p>

Subject: 2019 Year End Awards

Dear Officer Bauer,

On behalf of the entire Minneapolis Police Department congratulations to the 4<sup>th</sup> Precinct Community Response Team being recognized and selected to receive this year's MPD Unit Citation award. Your dedication and hard work not only makes it possible for the MPD to achieve success, but you're doing invaluable work in helping to build trust with those we serve. You are also setting a wonderful example for your peers.

This award is given annually to the Unit that demonstrates exceptional courage and devotion to duty while acting on behalf of the department. It is a prestigious honor that serves to recognize the best of the best within our ranks. Your leadership and dedication sets an excellent example for all employees. Normally this award would be presented to you at a large-scale awards ceremony, but due to the COVID-19 Pandemic we unfortunately are unable to meet in those large group settings. Please accept this as our alternative to this important recognition.

We are fortunate to have such a dependable, innovative, courageous, and dedicated professional and you are very deserving of the recognition. Again, congratulations I hope that you will take time to share and celebrate your deserved recognition with those close to you.

A copy of this letter along with the award recommendation will be placed in your personnel file.

Thanks for all your great work over the years, and of course, the years to come!

My Best,

## 2019 Unit Citation Nomination

### 4<sup>th</sup> Precinct Community Response Team

This nomination is all about what a small team, known as the 4<sup>th</sup> Pct. Community Response Team has accomplished in 2019. It's about the team's versatility, flexibility, and it's "Hard Work Ethic" that has made the team so successful. As the team succeeds, the 4<sup>th</sup> Pct., the Police Department, and the residents of Minneapolis succeeds.

The department Unit Citation Award is presented to a unit within the MPD for "Exemplary Service".

Exemplary is defined by Webster's Dictionary as: "Deserving imitation;" "Commendable", "Representing the Best of its Kind". These are words/phrases that are commonly used to describe the 4<sup>th</sup> Pct. Community Response Team.

Exemplary service for the 4<sup>th</sup> Pct. Community Response Team "means" making a significant difference in crime prevention, crime reduction, and a positive impact on the community it serves. It means responding to and coming up with solutions to "problem Areas/Problem Properties". It means being Leaders/Mentors in the Pct. It also "means" working with other units or law enforcement agencies to accomplish the above listed goals. The 4<sup>th</sup> Pct. Community Response Team exceeded in accomplishing those goals in 2019.

#### Goals for 2019

One of the goals for 2019 was to target known violent gang members using self-initiated vehicle stops, suspicious person stops, and investigations while utilizing fair and impartial policing tactics. Street level narcotic dealers were another priority. Street level dealers are directly connected to livability issues. Livability issues were another priority for the CRT Team

#### 2019 Statistics as of December 31<sup>st</sup>, 2019

859	Misdemeanor Arrests
18	Gross Misdemeanor Arrests
279	Felony Arrests
102	Search warrants (served by or assisted on)
1000 grams	Cocaine
300 grams	Crack/Cocaine
238 grams	Heroin
1,824 grams	Meth.....4 pounds

102 pounds      marijuana  
1678 pills           Oxycodone's  
330 grams of mushrooms  
\$94,661.00      seized

**101 GUNS RECOVERED**

The 4<sup>th</sup> Pct. Community Response Team met and/or exceeded the team goals set at the beginning of 2019. Specific statistics/numbers were not set in the CRT Team goals, but the above listed statistics show an outstanding effort by members of the team.

The biggest statistic for the team was the recovery of 101 guns. That is the largest number of guns recovered by the 4<sup>th</sup>. Pct. CRT Team since its inception. Crime data cannot possibly reflect the impact of removing 101 guns from the streets. In one weapons case, CRT officers received information of an occupied vehicle where the suspects were armed with a handgun. Surveillance was setup to watch the vehicle. A short time later the vehicle was stopped and a handgun was recovered. The two suspects were interviewed. The suspects told officers they had the gun because they were going to shoot a male who had beaten their mother.

A large proportion of the above stats were from the Focus Zone areas in the 4<sup>th</sup> Pct. Street level narcotics enforcement and gun seizures are still a primary focus for the CRT Team, but they spend a large amount of time doing directed patrol in marked squads. They are heavily relied upon to respond to the ever-changing code four directed zones.

During 2019 the 4<sup>th</sup> Pct. CRT Team was frequently called upon to assist other units and other agencies in the fight against crime in Mpls. The team's versatility and flexibility allows them to assist other units/agencies with investigations in the 4<sup>th</sup> Pct. as well as across the entire city. The above statistics do not include seizures and arrests while assisting other units/agencies.

Below is a list of officers who are past or present officers of the 2019 CRT Team and their accomplishments.

## **SUMMARY OF ALLEGED CONDUCT**

It is alleged that on March 19<sup>th</sup> 2023, Sergeant Benjamin Bauer was off-duty driving his personal vehicle on EB I-94 near Monticello, MN. Sergeant Bauer was clocked on the radar by a Minnesota State Patrol Trooper travelling 93 miles per hour in a 75-mile-per-hour zone. The Trooper also observed Bauer cross the center line multiple times. After initiating a traffic stop, the Trooper detected an odor of alcoholic beverage coming from Sergeant Bauer’s vehicle. The Trooper conducted Standardized Field Sobriety Tests on Sergeant Bauer which indicated chemical impairment. The Trooper administered a Preliminary Breath Test which registered a blood alcohol content of .09. Sergeant Bauer was placed under arrest and transported to the Wright County Jail, where he was read the Implied Consent Advisory and agreed to submit to a breath test to determine his blood alcohol content. The result of that test showed Sergeant Bauer to have a blood alcohol content of .08. Sergeant Bauer’s driver’s license was suspended and he was issued a 7-day temporary license. Sergeant Bauer was booked into Wright County Jail for 4<sup>th</sup>-Degree DWI. An additional charge for Careless Driving was added. Sergeant Bauer pleaded guilty to careless driving, and the 4<sup>th</sup> Degree DWI was dismissed. Sergeant Bauer was sentenced to 90 days in the Wright County Jail which was stayed for one year, and one year supervised probation. Sergeant Bauer was also fined \$200, assessed additional fees and surcharges totaling \$85 and ordered to pay those fines and fees by June 14, 2023. On May 22, 2023 Sergeant Bauer remitted payment for the total amount. On March 19, 2023 Sergeant Bauer paid a \$680 reinstatement fee for his driver’s license, and on 03/27/2023, Sergeant Bauer’s driver’s license was reinstated.

(Benjamin Bauer, Badge No. 0340)

This Expedited Disposition ("Agreement") is made and entered into by and between the City of Minneapolis ("City"), the Police Officers' Federation of Minneapolis ("Federation"), and Sergeant Benjamin Bauer Badge No. 0340 ("Member").

## **RECITALS**

- A. The City and the Federation are parties to a collective bargaining agreement ("Labor Agreement") that governs the relationship between them.
- B. The Member is employed by the City in its Police Department ("MPD").
- C. The Federation is the Member's sole and exclusive certified bargaining representative.
- D. On 03/19/2023, the Member engaged in conduct resulting in a violation of Policy MPD P&P 5-102 Code of Conduct. Sgt. Benjamin Bauer pled guilty to Careless Driving. Sergeant Benjamin Bauer complied with all the requirements of his guilty plea, paying all fines and fees, including the license reinstatement fee. Additionally, he completed DUI classes on his own.
- E. The discipline for the policy violation is a baseline of a 40-hour suspension, pursuant to the MPD Discipline Matrix in effect at the time of the policy violation.
- F. The Member wishes to admit to the violation and take responsibility.

G. By admitting to the violation and taking responsibility, the Member waives any statutory or contractual required investigation or process, including, but not limited to, compelled statement(s), a discipline panel, and a Loudermill hearing.

H. Sgt. Benjamin Bauer has been an exemplary employee since he joined MPD in 2008. Sgt. Benjamin Bauer has received several awards for excellent police work and is a respected leader. I. The Federation, through this agreement, waive any right to grieve or otherwise challenge the discipline imposed for violation of Paragraph D.

NOW THEREFORE, in recognition of the Member taking full responsibility for the Member's misconduct, the City, the Federation, and the Member agree as follows:

**AGREEMENT**

1. Based on the mitigating circumstances in paragraph H, the City shall impose the discipline of a sustained B violation and a 30-hour suspension (without pay).

13.43 - Personnel Data

Dear Benjamin,

Congratulations! You have passed all the requirements necessary for entrance into our Community Service Officer Academy. It is with great pleasure that I welcome you to the Minneapolis Police Department.

### ORIENTATION

The Community Service Officer Academy is three full weeks of training. On Monday, November 3, 2008 please report to Sergeant Jan Callaway, at the Minneapolis Police Department Training Center (formerly Hamilton School), 4119 Dupont Avenue North, Minneapolis, MN 55412, **no later than 6:45 a.m.**, in business attire. Bring a notebook, writing utensils and your check book.

On the first day, please bring a document to establish your identity, such as:

- a) A state issued drivers license with photograph, or
- b) United States military identification.

Also required is a document that establishes employment eligibility, such as:

- a) Social Security card, or
- b) Birth certificate issued by a State, County or Municipal authority bearing a seal or certification.

If you do not have the above items to establish identity or employment eligibility, you will need a United States passport, a certificate of United States citizenship, or a certificate of naturalization.

### ACADEMY

After the first day of the academy, you will wear your CSO uniform in the classroom. During Physical Training (PT), you will need navy blue shorts or sweat pants and a plain white, cotton T-shirt. Except for the first day, your hours during the CSO Academy are Mondays, Wednesdays and Fridays from 6:00 a.m. to 2:00 p.m. And on Tuesdays and Thursdays, from 7:00 a.m. to 3:00 pm.

### UNIFORMS AND EQUIPMENT

The Minneapolis Police Department will cover the cost of one Community Service Officer uniform and some accessories. Keepers Uniforms on 1055 Westgate Drive, Suite 160, St. Paul, MN 55114 (612-521-2275 or 1-800-779-0447) has the required Community Service Officer uniform and knows what equipment and accessories you will need during the CSO Academy.

Store hours are from 9 a.m. to 5 p.m. Mondays through Fridays and 9 a.m. to 2 p.m. on Saturdays. They also offer a discount for those items not covered by the Minneapolis Police Department. You will need to present photo ID before making any orders or purchases.

### **COLLEGE ENROLLMENT/COURSES**

Sgt. Janice Callaway will be working on the schooling dimensions. She needs your answers to the following questions. Call or e-mail her at [janice.callaway@ci.minneapolis.mn.us](mailto:janice.callaway@ci.minneapolis.mn.us).

- 1) Are you currently enrolled in a Law Enforcement or Criminal Justice program?  
-- If so where and what semester/quarter are you in?
- 2) If you are not enrolled, do you have any college courses in your background?  
-- If so what classes, where did you take them and when?
- 3) If you are not in college, which school would you prefer to attend from the four listed below?
  - ◆ Minneapolis Community and Technical College--Minneapolis
  - ◆ Century College -- White Bear Lake
  - ◆ Normandale Community College -- Bloomington
  - ◆ North Hennepin Community College -- Brooklyn Park

As a reminder, you will not receive any health coverage, life insurance, etc. from the City of Minneapolis while you are a Community Service Officer, but you will accrue vacation and sick days on a prorated basis. You may sign up for one of the City healthcare plans on the first day, but you will have to pay the full premium.

(Note: Community Service Officers who are either in the latter part of SKILLS or have completed SKILLS, will be considered full time employees and are eligible for health coverage, life insurance, etc. from the City of Minneapolis.)

If you have questions or concerns, feel free to call either of the following:

- Sgt. Janice Callaway at (612) 673-3326
- Irene Ghatt, Human Resources representative at (612) 673-3427

I look forward to seeing you on the first day of your new career.
